

Business / Employer Questionnaire

EMPLOYER INFORMATION

Company: _____

Address: _____

_____ Phone: _____

Owner: _____

Manager: _____

Type of Business: _____

Number of Employees: _____ Average Rate of Pay _____

How will your business support Project Success Transition in the development of local training and employment opportunities for the disabled? Please check all that apply:

- Talk with students about your business.
- Supply information about specific jobs and the demands and skills required for them.
- Allow students to visit your business to observe and ask questions (job shadow).
- Provide information to other employers about hiring and working with disabled employees.
- Train students to develop entry level skills. Evaluate trainees.
- Offer your place of business as a work experience site.
- Inform us about current and future employment opportunities.
- Hire a student with disabilities who has entry level skills.
- Fill out surveys: i.e. - about business trends; type of employees your business hires, etc.

(over)

Business / Employer Questionnaire
